If I Were Mayor I would Help The Poor People. First I would Hire People To move Trucks Around Taney Town To Serve Food People Also need A Home or Senior Living community Center So They could live in A new one I would build. Many Sick People in need of help could be with A Donation of Yard Sales lemonade Stands bus Tickets And ice cream With The Price of three Dollars And Twenty Three cent's. Many People need help with Toiletry And canned Food i' would call A blessing closet. All These Suggestions And Shelter is For helpless People that Deserve a chance.
