A REVIEW OF NEWS AND EVENTS

APRIL 2010
Issue #37

MAYORS MESSAGE

April is a promise that May is bound to keep.
Hal Borland

What a difference a month makes! After a brutal February we so far have had a rather kind March. A bit soggy perhaps, but at least no snow. Well with April and springtime we can put winter behind us, far behind us as far as I'm concerned. Last month I mentioned that this winter's snows have depleted our snow removal budget. I was concerned that federal/state help was yet to come. I am more optimistic today, that the February storms will be covered in the Federal Emergency Assistance funds available. I hope this is true. With April we also bring to a close the current legislative session in Annapolis. This year has not yielded any new revenues and we are struggling to hold on to revenues the state traditionally returns. The council is in the midst of finalizing the fiscal year 2011 budget (begins 7/1/10). I want to commend our staff for looking at realistic ways of cutting expenses and it appears we will be able to make it through another year without the burden of a tax increase. Each department has found ways to reduce expense and save tax dollars. One of the major initiatives that have been of major benefit to Taneytown (and all cities and towns in the state) is the Heritage Tax Credit program. This incentive to fix up and modernize homes and businesses in the older part of town has helped many

ONE OF TANEYTOWN'S GREAT COMMUNITY PLAYERS ANNA MOTTER

Over the years, Anna Motter has been one of our community's strongest advocates to get people to volunteer for many programs. Anna's love of history has been the spirit of her efforts to ensure that our Taneytown heritage has been captured. Anna, along with Alice Unger began the Taneytown Heritage Committee, which is still going strong today. Anna was head of the Promotion Committee of the original Main Street volunteer group, in 2000, who initiated our annual Christmas Tree lighting and community sing-a-long that kicked off the holiday season, along with other downtown events.

Anna's main passion is her love of music. Anna created, coordinated and directed the Taneytown Community Chorus over the years, with its final performance during the City 250th birthday celebration. Anna and her husband George reside in Taneytown.

ANGELO A. ZAMBETTI COUCILMAN

Angelo was born in Old Forge, Pa., joined the Navy in 1955, graduated from Penn State in 1962, and immediately moved to Maryland to accept a position with the National Security Agency. Angelo moved to Taneytown in 2005. His wife of 44 years, Gerri, was a cancer victim and passed away in 2005. His son Gary, daughter-in-law Kelly, and three grandsons live in Mechanicsburg, Pa. Angelo retired after a more than 33 year career with the NSA. He progressed from an Engineering Specialist to a Manager, responsible for the design, development, and production of highly complex electronic communication equipment. After being retired for 5 years, Angelo joined a start-up company, Safe Operations, as an Information Security Consultant. He participated in the preparation and implementation of software and content designed to automate the creation and evaluation of Information Security Policies and Procedures for computer systems. Although this is his first venture into local government, he has experience in leading and participating in Working Groups designed to solve complex problems, conferences designed to disseminate information, and a civic association formed to defend the interests of local residences. Being fully retired, Angelo spends a good part of his time in helping to solve the problems impacting the quality of life of the citizens of Taneytown.

WATER BILLS

The water bills will be sent out on April 1st. Payment is due by April 30th at 4:30 PM. If not paid by due date you will be receiving a pink notice in the mail May 1st. This notice will include the 10% penalty fee to the unpaid bill. The second notice bill will be due on May 18th. Any water/sewer payment not paid will be turned off starting May 19th. There is a re-connect fee of \$50.00.

THINGS DONE - THINGS TO COME

Jim Schumacher, City Manager

THINGS DONE

We can breathe a sigh of relief now that the City's new 2010 Community Comprehensive Plan is done. The Planning Commission approved the plan on February 22, and the Mayor and City Council adopted the document on March 8. State law requires the City of Taneytown to review its comprehensive plan every six years. The plan consists of text, goals, land use categories, proposed future annexations areas, and maps guiding the City's growth and development for the next six years.

The plan is important because it lays out the goals, implementation strategy, and funding plan to ensure the City has adequate drinking water, roads, parks, police protection, and other public services. It also relates to the many requirements from the state and federal levels regarding clean water, storm water management, wastewater, flooding, emergency operations, and many other important issues that the city will face in the future.

A copy of the plan may be viewed on the City's web site at www.taneytown.org, under documents. You may also view a copy of the plan by calling the city office at 410-751-1100. Our thanks to citizens, planning commission members, city staff, and Carroll County for their participation, guidance, and assistance in completing the plan.

The new picnic pavilion and playground are done at Robert's Mill Park. Now that the weather is turning warm, we hope you will enjoy these improvements. You can get to the picnic pavilion by way of a new entrance and parking area off Robert's Mill Road on the east side of the park (past the pond).

THINGS TO COME

The City will be installing a new drain pipe and parking improvements along Park Road in Memorial Park this spring/summer. The pipe is needed to replace an undersized and broken pipe system and will connect with the State Highway Administration's new drainage system in Maryland Rt. 140 (streetscape).

CODE ENFORCEMENT UNDER REVIEW

This month, I'm writing about code enforcement here in Taneytown; what I've noticed over the last decade, what I've done and haven't done since becoming the code enforcement officer, and what we might do to drive compliance higher.

The City Council held a retreat last fall, during which code enforcement was discussed. From that discussion, some changes are forthcoming. I've drafted a few revisions to code enforcement methods that are under consideration. While more often than not, the current approach resolves violations, it can be slow, and rather time consuming. It also generates very little revenue from fines. Some of our codes, though improved a couple years ago, are again under consideration for revision. While some codes may be revised, I expect that the major changes will be of a policy nature.

When in 2006 I was hired as the Zoning Administrator / Code Enforcement Officer, there was support for an incremental approach to code enforcement, which I've employed in the vast majority of cases thus far. As I mentioned above, this approach generally works, but while it may resolve violations in a manner least likely to create future negative feelings toward the city, I must admit that it's inefficient. Although about 90% of observed violations and complaints are resolved, I'm quite certain that people who have complained about, or may live near one of the remaining 10% of cases have a rather low opinion of the city's, or my efforts on enforcement. I should probably note that while I've only been working in this position since 2006, I've been involved with Taneytown in other roles since 1996. During that decade, as I became familiar with the city codes, I became aware of numerous properties where code violations existed. I learned that code enforcement was almost exclusively complaint driven. While I've stepped up enforcement somewhat, I've not made nearly the progress I'd envisioned when I accepted the job.

Based on my experience thus far, I don't see much support for a zero tolerance approach to code enforcement, but I am interested to know what most residents would like to see, which is where you can help. As we consider revisions

STREET SWEEPING

Due to the snow storms, street sweeping did not take place in February or March as scheduled. The revised schedule is as follows: On Monday, April 19, 2010, the following streets will be swept: East and West Baltimore Street, York Street, Reindollar Street, Broad Street, Taney Drive, Taney Heights Drive, Taney Court, Tuscarora Trail, and Tuscarora Court.

On Tuesday, April 20, 2010, the following streets will be swept: Fairground Avenue, Grand Drive, Carnival Drive, Genevieve Drive, Village Drive, Gate Drive, Fourth Street, Cambridge Court, Windy Hills Drive, Zephyr Court, Starboard Drive, Starboard Court, and Dunkle Court.

On Monday, May 17, 2010, the following streets will be swept: East & West Baltimore Street, York Street, Frederick Street, Middle Street, George Street, Mill Avenue, Antrim Street, Franklin Street, and Courtland Street.

Vehicles should not be parked on these streets until after they have been swept. Streetscape construction areas will not be swept. Sweeping occurs between the hours of 7 a.m. and 3:30 p.m. In the event of inclement weather, sweeping will take place the following Monday.

YARD WASTE

The Public Works Department will again pick up grass clippings on Tuesdays. You must call the City Office before 3 p.m. on Monday to schedule for pick up. Please place your bags at the curb by 7:30 a.m. Grass clippings must be placed in paper, kraft bags only. Please limit the weight of bags so they can easily be lifted for loading and unloading, without bag breakage. This service is limited to grass clippings only. Please do not dispose of dirt, sod, thistle, or household garbage. Currently there are no charges to Carroll County residents for disposal of yard waste, at the Carroll County Landfill in Westminster (410) 386-4550.

BULK TRASH

On Saturday, May 1, 2010, from 7 a.m. to 1 p.m. the City will provide compaction trucks and dumpsters at Taneytown Memorial Park for the removal of bulk trash. Citizens are asked

by allowing tax credits of these repairs/improvements. The Governor prepared legislation this session to renew and expand this law but it has run into difficulty in committee and may not be renewed. This defeat will deal another blow to already strapped cities and towns. Municipalities are unique in Maryland, in that they are forced to rely on basically two sources of income to fund their services, namely the income tax (when you fill out your tax form each year there is a box to check asking if you live in an incorporated municipality, a portion of the income tax paid is returned to the municipality. This does not increase your tax it just allows the town to share in the income tax due. Otherwise, this money goes to the county) and property tax. Needless to say because of the recession, we expect both these numbers to be down when compared to last year. Other miscellaneous revenues are returned by the state based on various formulas, including Highway User Revenues (HUR) that we use to repair our streets (from the gasoline tax), police aid (based on the number of sworn officers), amusement tax, etc. These are the funds that are the targets and Annapolis politicians love to cut them in order to balance the budget and fund entitlement programs. We can also expect these revenues to decrease. One area that we anticipate fewer cuts is in Program Open Space (POS) fund used for funding parks and playground facilities and equipment. Nevertheless your Mayor and council's primary objective is to be able to render essential services without raising taxes.

I know it's been a long winter and our streetscape project has been slowed because of the weather. When the contract was let, we considered down time in the winter months because of the weather. We are approaching the 70% completed mark and I anticipate by this time next year to be getting close to the end of the project. We are all looking forward to being able to enjoy the "fruits of our labors". Our economic development director, Nancy McCormick tells me she is receiving a number of inquiries from folks who want to locate new businesses downtown. Already we have a new consignment shop, a lawyer's office and a new tea room ready to open in the downtown. If you don't usually shop downtown, give it a try you'll be surprised what we have to offer.

In February we kicked off a volunteer recognition program for Taneytown. (see separate article in this paper). We

have been receiving many nominations of noteworthy candidates. This is the final month you will be able to recognize your neighbors for their help and "good deeds" before the awards on April 24th. Please make sure you go to our web site (www.taneytown.org) and stop by City Hall and turn in your nominee form.

By the time you read this it will be time to be coloring Easter eggs and dust off the ole Easter bonnet. The daffodils will be in bloom, hot cross buns will be baking and spring will be in the air. I want to take a moment in closing to wish each of you all the blessings of the Easter/Pass-over season. He Lives! Alleluia!

NEW FOUR-WAY STOP COMING SOON

By: Cpl. J.D. Brooks
Taneytown Police Department

As many of you have noticed throughout Taneytown, the amount of vehicle traffic on Roberts Mill Road between George Street and Roth Avenue has been steady. Several speed surveys utilizing our remote speed monitoring sign have been conducted to keep an eye on the amount and speed of traffic in these areas. The first phase completed was the four-way stop located at Roberts Mill Road and Roth Avenue, has gotten good reviews from the citizens that live in that area, as well as motorists traveling through. The purpose of controlling these intersections with stop signs is to maintain a level of safety on these "side streets" as they seem to have become "main streets" due to the construction.

With this same emphasis on safety, another four-way stop sign intersection is going to be put up at Taney Drive and Roberts Mill Road on April 15th, 2010. This is phase two of a three part phase of installing these stop signs. Anyone who lives in this area knows that this intersection is a major bus stop with numerous children. With no sidewalks at this bus stop, children are routinely standing in the roadway waiting for their bus. The speed surveys conducted do not show a speeding problem, but a volume of traffic issue. Another survey was conducted in late November and early December, well after the Roth Avenue stop signs were placed. The data gathered has remained about the same with the following: eastbound Roberts Mill Road at Taney Drive: 48 hour survey, 5,014 vehicles with an average speed of 23.8 miles per hour. Westbound Roberts Mill Road at Taney Drive; 48 hour survey, 3,256 vehicles with an average speed of 23.2 miles per hour. These surveys were done in conjunction with the Mayor and

City Council and they were presented with the results at prior council meetings.

This four-way stop will be monitored after it is installed for safety issues such as motorists running the intersection. After this has been in effect for a few months, phase three of this project will involve placing the final four-way stop intersection at Roberts Mill Road at Franklin Street/Carroll Heights Drive. Phase three will be placed sometime in July 2010. With the spring and summer fast approaching, please be aware of the changes that are coming to these areas. The Police Department is always looking to maintain the proper pedestrian and vehicle safety throughout the City. If you have a speeding complaint and are a City resident, please do not hesitate to contact the Taneytown Police Department at 410-751-1150.

In closing, I would also like to remind all parents in the city limits, that every child under the age of eighteen years old is required by ordinance to wear a safety helmet when riding a bicycle, scooter, and skateboard. Also, please remind your children to not ride in the streets or on private property. Violations could result in a fine and confiscation of the item being ridden.

TANEYTOWN HISTORY MUSEUM

The Taneytown History Museum will be closed May 9, Mother's Day. Also closed on Saturday, May 22 when Taneytown will be celebrating "Swing into Spring" at Memorial Park. The Museum will be closed May 28, 29, and 30 for Memorial Day weekend.

TANEYTOWN HISTORY MUSEUM

The Taneytown History Museum will reopen for the 2010 season on Saturday, April 10. The museum, staffed by volunteers, is located in downtown Taneytown in the old (circa 1889) Taneytown Savings Bank building. Featuring an ever-changing variety of exhibits, with artifacts primarily on loan by community members, the Museum celebrated it's Fifth Anniversary last year.

A recent addition to the Museum, the Taneytown History Museum Reference Room will be open for the first time. The reference room will be appointed with a computer station and cherry cabinetry and shelving to store historical documents, clippings and books relative to the history of the area. Information contained therein will be available to visitors doing genealogy research or with a historical interest in residents and events of years past. With space available, hopefully, this collection will continue to grow. Also, a wide-screen video display has been purchased.

Other points of interest in the Museum include a 1920's era kitchen exhibit in the upstairs gallery. A display of repaired 19th and early 20th century household items, entitled "19th Century Recycling" is a new addition. Several Taneytown industries of the 1940's and 50's are featured, as well as a display of Civil War artifacts. A tall-case clock, credited to Taneytown clockmaker Eli Bentley, and several paintings by Taneytown artists Laverne and Clifton Zepp are on display in the Taneytown Room.

The Museum opening will be Saturday, April 10th and Sunday, April 11th from 1:00-4:00. The Taneytown History Museum is located at 24 E. Baltimore Street. Parking is available on-street in front of the Museum and at the city parking lot across the street. Additional parking is available off Riffles's Alley at the city parking lot.

The Taneytown History Museum is open Fridays 10:00 - 1:00, Saturday and Sundays 1:00 -4:00, or by appointment. Call 410-756-4234 or visit the web site www.taneytownmuseum.org

TANEYTOWN AREA ECUMENICAL GOOD FRIDAY WORSHIP SERVICE AND PROCESSION

Caring and Sharing Ministries will sponsor an ecumenical Good Friday service which is a series of worship segments on the hour and half-hour between noon and 3 p.m. with focus on the Seven Last Words of Christ from the Cross. The starting and ending location will be Trinity Lutheran Church. Those who desire to do so may process in a group from one church to the next or meet the group as you are able at the following places and times:

Noon Trinity Lutheran Church
12:30 p.m.-Taneytown Presbyterian Church
1:00 p.m.-Messiah United Methodist Church
1:30 p.m.-St. Joseph Catholic Church
2:00 p.m.-Grace United Church of Christ
2:30 p.m.-Trinity Lutheran Church

Worshippers may participate for the whole series of prayerful reflections or come and go as you must in accordance with the schedule as you need. The Good Friday offering will be for the Community Needs Fund of Caring and Sharing Ministries which is available to provide some emergency assistance to individuals and families in the Taneytown area. This fund is administered in cooperation with Human Services Programs of Carroll County.

TANEYTOWN BAPTIST CHURCH UPCOMING EVENTS

The first event is a "TURKEY BREAKFAST FOR MEN" scheduled for Saturday, April 17th, at 8:00am at Taneytown Baptist Church. The guest speaker will be Steven Rockey, a professional hunter and former pastor. As you know, spring turkey season starts on April 19th. Steve will be talking about locating and calling turkeys. Breakfast is free but a free-will offering will be taken to cover some of the costs of the food. Steve's website is www.sportsmenministry.com. We will have a great breakfast and DOOR PRIZES!

For the second event, Taneytown Baptist Church will host a "Field Day" at the Mayberry Rod and Gun Club on Saturday, May 22nd starting at 8:00am. On this day, there will be an opportunity to "Clay Shoot" on a 5-stand course or fish at the pond for various species of fish with instructions by Jim Gronaw.

For those interested in the Clay Shot course, the cost is \$32.00/person. You must bring your own shotgun and ammunition. The specifications are shotguns no larger than 12-gauge, shells to be 7# shot, 1-1/8 oz. load, and 3-dram equivalent. Squads of six (6) people will rotate through the course.

For those interested in fishing, the cost is \$7/ person. You should supply your own gear, (light tackle is recommended). Or, you may like to try fishing with a "cane pole" that we will make available. Night crawlers will be provided for bait. All fish caught will be released and photos will be taken.

We will finish the day with lunch and door prizes in the pavilion. Please sign up by calling the church at 410-756-4444, call Brett Six at 443-324-4568, email the church at taneytownbaptist@verizon.net or sign up on the church bulletin board.

MESSIAH UNITED METHODIST CHURCH

20 Middle Street , Taneytown
For information call 410-756-6092

PALM AND PASSION SUNDAY, March 28

Come for Messiah United Methodist Church's 10:15 AM worship service with the waving of palm branches, marching down the aisles, the observance of the Triumphal Entry of Jesus into Jerusalem and the remembrance of the Passion and Death of Jesus.

MAUNDY THURSDAY, April 1, Messiah United Methodist Church

Come for the 7:00 PM service that will include a Dramatic Reading regarding the Lord's Supper and Passover, the Remembrance of the Anointing of Jesus by Mary of Bethany, the Sacrament of the Lord's Supper, the Stripping of the Altar, the Veneration of the Holy Cross, the Tenebrae (Extinguishing of Lights) with the reading of the Passion narrative from Mark's Gospel and the singing of Passion Hymns relating to the crucifixion. The Chancel Choir will present an anthem. This service remembers the Last Supper of Jesus with his disciples in fulfillment of the Jewish Passover and looks in advance to his passion and crucifixion.

GOOD FRIDAY, April 2, the Caring and Sharing Ministries Seven Last Words of Jesus Service

We shall journey from church to church to hear preaching on the Seven Last Words given by different area pastors. This will take place from 12 noon until 3:00 PM. Messiah Church will host the 1:00 to 1:25 PM segment of this service with preaching on the third word from the cross.

EASTER, April 4 Messiah Church Hosts a Children's Easter Musical Drama at 9:00 AM

Easter Worship Service with a sermon on the resurrection by the Rev. Dr. Arthur D. Thomas, Jr, Easter anthems, and Holy Communion.

Come and celebrate the resurrection of Jesus from the grave and our hope of everlasting life and the reality of the Risen Christ in our daily lives.

YOUTH SUNDAY, April 25th and Visitation Sunday

The Youth Group of Messiah United Methodist Church will lead the worship and be inviting friends to this special event. All are welcome to this service and the reception afterwards.

ANN E. BRADLEY, MESSIAH UNITED METHODIST CHURCH'S NEW CHOIR DIRECTOR IS ANNOUNCED

Ann Bradley became Messiah's new choir director on January 1, 2010. Besides directing children and youth choirs from 1996 to 2008 at the Cathedral of the Resurrection at the Life in Jesus Community of the Charismatic Episcopal Church, she also directed the adult choir of 23 members for approximately two years and also sang in that choir and directed it when the regular director was not available. Students have come to her for both guitar and voice lessons. Ann Bradley is also director of the Homewood Retirement Community Choir of Frederick . Ann received her B.S. from the University of Maryland and her M.S. in Education from McDaniel College .

AARON BURNS, MESSIAH CHURCH'S NEW PIANIST, IS ANNOUNCED.

Aaron is a classically trained pianist and has been studying piano for thirteen years. He has extensive experience with classical music, church music, and some experience (one year) with jazz piano. He is studying piano at McDaniel College . He lived in the Life in Jesus Community for twenty years and was extensively involved in the religious music and worship program there. Aaron worked as assistant piano instructor to Dr. David Kreider, Professor of Music at McDaniel College , and is currently studying under him.

JEFF DANOVICH, MESSIAH CHURCH'S NEW COORDINATOR OF YOUTH ACTIVITIES IS ANNOUNCED.

Jeff Danovich will assist Messiah's youth advisors Kelly Stitely and Miki Wilson. He brings with him his vast experience of working with youth as Program Director of the Frederick County Boys and Girls Clubs and as a member of the program staff of the Boys and Girls Clubs of Newark, Delaware.

The cost of the trip is \$86.00 for adults, \$61.00 for teens (13-18), \$44.00 for children (1-12). The cost includes the show "Joseph", lunch at Hershey Farms and bus fare. Half of payment is due at sign-up with the balance due March 1, 2010. Bus will leave center at 9:00 a.m. and return at 6:00 p.m. For more information and/or reservations call (410)386-3827.

GALLOWAY BAND - EXTRA CURRICULAR ACTIVITIES

Jay Fitzhugh, a member of the band "galloway", loves hot rods. To this end he writes for the magazine "The Rodder's Journal". While writing the feature article for a recent publication, Jay video taped the drive to Pleasonton, California while accompanying several of the rods. The result is a video on YouTube. For the background music, he chose the music portion of "Head of the Line", written by local singer/songwriter Rick Galloway, and performed by members of the band "galloway". If you get a chance, check out the article in "The Rodder's Journal", issue Forty Six, and the video on YouTube: <http://www.youtube.com/watch?v=T1fRif38ekg>. Another note, drummer Bob Clark can

be seen in the second episode of "The Adventures of Louanna Lee", a locally produced video featuring singer Louanna Lee which is now available on dvd (www.LouannaLee.com). Here's the address to that YouTube trailer: http://www.youtube.com/watch?v=gXk7_iwNbWc. Check 'em out.

www.youtube.com/watch?v=gXk7_iwNbWc. Check 'em out.

And while you're at it, check out the band at www.ricknco.com, and at Taneytown's Spring Fling on May 22.

KREIG'S COUNTRY CANDLES

Our goal at Kreig's Country Candles is to make candles for all your special occasions. Be it a wedding, an anniversary, or a birthday, whatever occasion you wish to celebrate.

Our candles are handmade, using the finest gels, and scents. We use semi-precious beads, and glass imbeds, the finest Crystal, Mikasa, Sasaki, and Atlantis. We do this to ensure a quality candle that will add ambiance, romance, or whimsy to any gathering you plan.

We also have beer mugs to create sports themed candles complete with realistic beer foam. We do beach themed Margarita's, or if you're a "shaken, not stirred" person, we do Martini's also.

We can design a candle to fit any occasion you're planning . . . just drop us a line.

We have plans to expand our business by incorporating saps, and lotions to create unique one-of-a-kind romantic packages.

We currently are doing business at 2 stores in the Taneytown, MD area.

THINGS DONE - THINGS TO COME

Continued from page 2

Park should be installed and ready for use by children (and maybe a few adults) later this spring. One of the new pieces of playground equipment will be especially fun. I'll let it be a surprise. You'll enjoy it! The playground will be installed near the memorial area on Playground Road.

Several water and sewer improvement projects are planned throughout the city this summer/fall, including the replacement of the York Street pumping station and force main in York Street.

The city will be upgrading some intersections with new stop signs, stop lines, and crosswalks. Be on the lookout for these changes as we make safety and pedestrian improvements.

Taneytown will be installing new sidewalks at certain locations to improve safety for children/pedestrians walking to parks, schools, the library, and other places.

Please bear with us as we make these needed public improvements.

The City of Taneytown received a \$31,000 grant to conserve energy and reduce the cost of energy in municipal buildings and equipment needs. We hope to implement the new energy-saving ideas this fall.

If a resident or property owner has any comments or suggestions concerning the above, please email me at jlschumacher@taneytown.org.

CODE ENFORCEMENT UNDER REVIEW

Continued from page 2

to code enforcement efforts, I invite citizens and property owners to e-mail or write to me with suggestions or comments that I can compile for the Mayor and City Council to consider. Based on feedback I've received over the last couple years regarding code enforcement efforts, I think it will be quite interesting to hear what citizens think the city should or shouldn't do.

If you're curious, or would like to learn more about existing codes, the city code is available on our website, www.taneytown.org or may be viewed at the city office during business hours. Take a look at the codes - you might be surprised at some of the existing dos and don'ts, as well as the fines the city can levy. I'd like to hear some informed comments.

Details regarding overgrown properties, rubbish, and discarded household goods can be found in chapter 124; Health and Sanitation

Junk or unregistered vehicles, and storage of construction or of machinery parts, are addressed in chapter 205; Zoning.

My e-mail address is jawieprecht@taneytown.org. A note to the city office, 17 East Baltimore Street, attn code enforcement will also reach me. Typically I hear from people who own or rent properties with violations, or those living nearby. In some cases, I've been lauded as doing more to clean things up than any of my predecessors, with others, I didn't do enough. I've been thanked and told that we're moving in the right direction, and I've been told that nothing ever gets done. In the past few years, through code enforcement efforts, we've towed and impounded untagged vehicles from residential properties, mowed lawns and cleared snow from sidewalks, billing costs to the applicable parties. In the vast majority of cases however, residents or property owners took care of the violation before it reached that point. Since March of 2008, we've resolved 206 complaints and observed violations. About 150 of them were resolved without formal notices or fines.

Has the time come to dispense with the small town, "let's talk it over" approach and move to a more formal, more

efficient, but decidedly less personal approach? Following some technical upgrades here, it could be much easier to snap a photo and send out a notice of violation and fine than to first knock on the

door to provide verbal warnings. If you're interested in weighing in on the topic, now's the chance!

Jim Wieprecht, Zoning Administrator / Code Enforcement Officer.

BULK TRASH

Continued from page 2

to observe the following procedures: Citizens will be responsible for bringing their trash to the park for disposal. All persons who are dumping material will be required to show proper ID to the attendants at the park before they can drop off their items. Only citizens of Taneytown will be allowed to dispose of trash. All others will be turned away. Please do not leave trash in the park after hours specified above. The trash disposal service will only operate during these hours. Vehicles transporting bulk trash for disposal must be limited to passenger vehicles and pickup trucks. Larger trucks should haul their trash directly to the Carroll County Landfill. All items containing oil and/or gas must be drained. The attendant will direct you to dumpsters for metal items and appliances only. There will be one compaction truck designated for all other acceptable recyclable items. To keep the flow of traffic moving, all recycling items should be separated before entering the drop-off area. Tires, propane tanks, batteries, paint, or chemicals of any type, will not be accepted. This will be the only bulk trash event for 2010, so please have your unwanted items ready for disposal this spring. The City will not hold a bulk trash event in the fall.

The following is a list of acceptable recyclable items that you may dispose at the bulk trash event. The plastic Little Tyke play equipment is also acceptable.

TRASH & RECYCLING SCHEDULE CHANGE:

Due to the Memorial Day Holiday, collection will take place on Thursday, June 3, 2010 instead of Wednesday, June 2, 2010.

FIRE HYDRANT FLUSHING SCHEDULE:

The City's Water Department will begin flushing fire hydrants in the following areas on Monday, May 3, 2010, through Friday, May 7, 2010: Trevanion Road, Trevanion Terrace, Kings Drive, Kings Court, Courier Drive, Courier Court, Grand Drive, Cambridge Court, Dunkle Court, Saddletop Drive, Ponytail Lane, Butterfly Drive, Hayride Lane, Horseshoe Lane, Clubside Drive, Windy Hills Drive, Starboard Drive, Starboard Court, Zephyr Court, Carnival Drive, Fairground Avenue, First Street, Second Street, Third Street, Fourth Street, Monocacy Circle, Divern Street, George Street, Franklin Street, Broad Street, Courtland Street, Antrim Street, Canoe Court, Bancroft Street, Kenan Street in Copperfield, Morning Frost Street, Huntinghorn Court, Huntinghorn Street, Bison Street, Bentley Street in Roberts Mill Run.

Monday, May 10, 2010, through Friday, May 14, 2010, fire hydrants will be flushed in the following areas: Carroll Heights Drive, Bankard Terrace, Taney Heights Drive, Taney Drive, Taney Courts, Roberts Mill Road, Roth Avenue, Spring Drive, Baumgardner Avenue, O'Brien Avenue, Tuscarora Trail, Cherry Oak Court, Clover Court, Daisy Drive,

Berry Court, Red Tulip Court, Chestnut Court, Warehouse Alley, Benner Lane, Mill Avenue, Frederick Street, Allendale Lane, West Baltimore Street, Memorial Drive, Harney Road, York Street, Middle Street, Fairview Avenue, Blue Ridge Avenue, Commerce Street, Maryland Avenue, Ridge Avenue, Reaverton Avenue, Pumphouse Road, Westview Drive, Kenan and Bentley Streets in Meadowbrook, Colbert Street, Kwanzan Street, Crimson Avenue and Bowie Mill Avenue. This process will help clean, remove sediment and release trapped air from the water distribution system. Customers in these areas, especially restaurants and those using washing machines are cautioned to check their water supply for rusty water, which may occur.

**CARROLL COUNTY SINGLE STREAM RECYCLING PROGRAM
ACCEPTABLE ITEMS**

COLDS, ALLERGIES, AND SINUS INFECTIONS

"Hey doc, I think I have a sinus infection!" Many times someone will come into the office complaining of a "Sinus Infection," and requesting an antibiotic. Frequently what they are experiencing is either a viral infection (common cold) or allergies, which may not be limited to seasonal allergies. What are the differences and similarities and when should someone seek medical attention?

HAY FEVER

Hay fever, also called Allergic Rhinitis is actually poorly named. It doesn't cause a fever and is almost never caused by exposure to hay.

It is however, the bodies response to an allergen or allergy causing substance. These may be seasonal such as pollen, which is produced by trees, grass, weeds, or by fungus or mold. Tree pollen is common in the spring, weed pollen in the fall, and grass pollen in the late spring and summer.

Other triggers for hay fever may be year round and include: dander (skin flakes and saliva) from cats/dogs/birds, dust mites or cockroaches, and spores from both indoor and outdoor fungi and molds.

Signs and symptoms of hay fever start immediately after being exposed to the allergy causing substance (allergen) and will remain as long as the exposure persists.

They include: Cough/sneezing/watery or itchy eyes/sinus pressure or pain and runny nose and nasal congestion. The runny nose is usually watery and will continue as long as you are exposed to the allergen.

Treatment can include: antihistamines, nasal steroid sprays, nasal decongestants and other medications that require administration and monitoring by a physician. A note of caution, nasal decongestants if used more than a few days can cause a rebound congestion which can be much worse than that caused by the hay fever itself. Oral decongestants should not be used by persons with high blood pressure or men with enlarged prostates.

COLDS

The common cold is an upper respiratory infection that is caused by a virus, usually the rhinovirus. In fact, at least 200 different viruses can cause cold symptoms but the rhinovirus is the most common. Although you may feel miser-

able, it is usually harmless, but it is highly contagious. It is spread by droplets in the air from a sick person who coughs/sneezes/or talks, but can also be spread by contact from an object used by a sick person such as: telephones/towels/toys/etc. If you accidentally touch your eyes/nose or mouth after exposure, the oops.....you'll probably catch it yourself.

Symptoms usually start 1 to 3 days after exposure to the virus and may last up to a week or two. They include: Stuffy nose/headache/low grade fever/cough/body aches/and an itchy or sore throat. The nasal discharge may become yellow or green in color and become thicker as the cold runs its course. Antibiotics have no effect and will not shorten the duration of a cold.

Treatments are directed to relieving the symptoms and include: pain relievers such as Tylenol, cough syrups, and decongestants. A word of caution however. Children should not use decongestants and the use of nasal spray decongestants for more than a few days can cause inflammation of the nose, this is worse than what was initially caused by the cold itself.

SINUSITIS

Sinusitis causes nasal congestion, headaches, facial pain, and a feeling of swelling around the eyes and face. Most of the time it is caused by the common cold, but can also be caused by bacteria, allergies, and fungal infections. Although sinusitis caused by a cold virus will usually resolve within a short time, bacterial sinusitis can lead to serious complications if not treated. It can recur and even become chronic.

Symptoms include: thick yellow/green drainage from the nose or down the back of the throat, difficulty in breathing through the nose, aching in the upper jaw or teeth, sore throat, ear pain, bad breath, fever, and nausea.

Complications of sinusitis can include: flare up of asthma, ear infections, eye problems, chronic sinusitis, and even meningitis (infection of the lining of the brain).

Treatment can include: saline nasal rinse, nasal steroids, decongestants, antibiotics for bacterial infections and sometimes surgery to allow for better drainage (for chronic conditions). Sometimes a nasal culture must be taken or imaging of the sinuses must be done, particularly if the sinusitis persists or frequently recurs. It is important to finish the entire course of antibiotics if they are prescribed by your doctor or the condition may worsen or return.

WHEN TO SEE A DOCTOR

If you experience fever of 102 degrees or higher, or fever along with sweating, chills, or cough with colored mucous/have greatly swollen glands/experience shortness of breath/or severe sinus pain. Also if home remedies have been tried and the symptoms last longer than a week. Also seek medical attention immediately if you have a condition such as asthma, diabetes, or emphysema.

Final Note: Children can become sicker or develop more complications than adults even with the common cold. Always consult with your Family Doctor or Pediatrician if your child becomes ill, particularly with high or persistent fever/vomiting or abdominal pain/difficulty breathing/ear pain/persistent cough/unusual sleepiness/or severe headache.

MARY ANNE'S THEME TEAS

A new tearoom is opening under new management. "Mary Anne's Theme Teas" is coming to downtown. Although it's opening in the old "Picadilly's" site, it is not affiliated with Picadilly's or any of its previous owners. "It's a great location and the City of Taneytown has been so gracious," Mary Anne was quoted. "We will be serving proper Victorian teas, garden teas in our indoor garden setting, and special teas in our intimate V.I.P. area. We have many different areas in our tearoom so we can accommodate many different themes. From a full tea, to an afternoon tea, to a cream tea; we will be able to serve our customers with graciousness and propriety of a time gone by. Our teas will last a full two hours, just as Queen Victoria decreed. We will be stocking twenty-five different teas on a regular basis. We will also have two different "daily special" teas at all times.

We will be carrying selected tea related merchandise with a special eye to the Red Hat Society items, everything from earrings to tea warmers.

Many ladies will remember Mary Anne as the manager of the number two tearoom in the state of Maryland. "It truly broke my heart when that tearoom closed with no notice," said Mary Anne, "I've waited a long time to open my own shop so I can do things properly. I enjoyed the interaction with the clients almost as much as I enjoyed baking, which is my true passion." Her English cucumber sandwiches homemade chocolate mousse tarts, white chocolate raspberry scones, port wine cheese, and her mini crab melts were just a few of the items that kept people coming to her tearoom. Her homemade Butternut Squash Soup had clientele coming back from as far away as Harrisonburg, Virginia.

Elegance and refinement, with exceptional service, will be the hallmark of our business. We know that there were some problems with the tearooms before us, but we can assure the public that will not happen with us. Mary Anne's love and dedication, the drive that made her former tearoom the #2 tearoom in the state, will not allow those types of problems to occur. Her goal is to have the #1 tearoom in the state. Our main goal is to give the customer an experience and memory that they and their loved ones will fondly carry with them for many years.

Mary Anne and her staff are looking forward to making new friends and reconnecting with so many of her old friends.

NEW MANAGER AT TANEYTOWN SENIOR & COMMUNITY CTR.

Paul Garver is the new center manager at the Taneytown Senior & Community Center at 220 Roberts Mill Road. Paul has 23 years of service with Carroll County Government, the last 14 years of service in the Bureau of Aging managing the Westminster Senior & Community Center. Paul grew up in New Windsor and currently lives in Westminster. He has been a Christian most of his life and currently attends Linwood Brethren Church in Linwood, Md. Paul is a 1967 graduate of Francis Scott Key High School. Paul is also a Past President of the Westminster Lions Club and is still an active member in the club. Paul has two daughters and three

grandsons. Paul is an avid Washington Redskins and New York Yankees fan, keeping up on both teams year round. Paul enjoys reading about historical events and famous people in history, especially the Civil War and World War II periods. Paul is excited about coming to Taneytown and managing the center. He looks forward to meeting people that attend the center and future participants at the center. He would like for everyone to know that the center is a great place to meet people and make new friends. There are many fun activities to participate in at the center. Billiards, cards, exercise equipment and classes, a library and much more for older adults to enjoy. Lunch and breakfast are also available with reservations made a day in advance. The cost for these meals is a donation for those 60 years old and older. Paul is always open to suggestions from senior participants for new programs to have at the center. Paul invites everyone to stop by the Taneytown Senior & Community Center and sign up for a fun filled experience. You won't regret it. The hours are Monday through Friday from 8:00 a.m. to 4:30 p.m. For more information you can contact Paul at his email address at pgarver@csg.carr.org or you can call him at (410)756-2700.

NEW COMMUNITY PARTNERS SILVER OAK ACADEMY

After the snowstorm in February, the after effects left many residents and businesses immobilized. One of those was Thunderhead Bowling Center, which has a flat roof.

The City of Taneytown was holding their monthly business breakfast on second Friday of the month. The program scheduled was: Silver Oak Academy Community Partnerships in which students were present to talk about what they were learning from the program... That Friday happened to be two days after the major snow storm and people were still trying to shovel out.

The owner of the bowling center had been trying for the past couple of days to find a contractor to clean off the flat roof (those are the ones that collapse) and could not find any contractor to remove the snow. To the rescue comes the offer from our breakfast speaker, and Group Living Director, Kevin McCleod. Kevin told the owner that as soon as they finished the program, he would bring the students back in working clothes, to begin the roof clean-up. And a great job they did and were rewarded with some food and lots of gratitude. We are proud to recognize the staff and students of Silver Oak as part of our Taneytown family.

Silver Oak opened in the fall of 2009 on the former site of the Bowling Brook School in Keymar. All students are expected to complete 70 to 100 hours of community service outreach before their graduation. The students are educated with high school general education courses and also have the opportunity to train in vocational skills in the newly opened Workforce Development Center along with a great sports programs. The goal of the staff is to mold young men into potential future leaders.

We are truly proud to have staff, faculty and students as our new community partners.

RUNNYMEDE ELEMENTARY ANNOUNCES THEIR 12TH ANNUAL WALK

On April 23, 2010 (rain date is April 27), Runnymede Elementary School will conduct its 12th Annual Walk to benefit Carroll County Food Sunday. This walk offers an opportunity for community participation in what has become a major event for the entire Runnymede Elementary community of administrators, teachers and students.

Make a contribution when asked by a Runnymede student in April. Businesses or organizations contributing \$100 or more will be listed on the walk tee shirt worn by every student along with a link on the Food Sunday web site. Business or organization Super Sponsors contributing \$500 or more will have their logo and name printed on the walk tee shirt and a link on the Food Sunday web site. Your contribution to the Annual Walk benefits hungry neighbors in Taneytown and is tax deductible.

To learn more about how to volunteer and help Runnymede Elementary School in this community effort contact Susan R o u t s o n (strouts@k12.carr.org) or John Code (jncode@k12.carr.org) at Runnymede Elementary School (410-751-3203). To learn more about Food Sunday, visit their web site www.ccfood.sunday.org. We urge you to consider partnering with Runnymede Elementary on this community project to help our neighbors.

ANTRIM VET HOSPITAL: CELEBRATING 15 YEARS OF CARING

In an effort to promote and recognize the businesses in Taneytown, the Taneytown record has requested articles that would introduce the residents of Taneytown to those businesses. We started thinking about why we picked this area to establish a business when we could have set up in a much more metropolitan and affluent area. The answer is pretty much the motto of Taneytown—the small town with a big heart.

Maybe now would be a good time to introduce ourselves: Ann Beaudin and Myron Bradley, owners of Antrim Veterinary Hospital, located at 520 East Baltimore St, Suite 200 in the Taneytown Shopping Center.

Our mission statement is to practice high quality medicine with the emphasis placed on preventative care and client education. In order to achieve this we have selected staff members who are kind and caring towards both animals and people.

Yes, we are a smaller hospital without some of the eye catching architecture of the big city hospitals but the nice thing about being small is that we can interact with our clients and patients on a personal level. We tailor every visit to your pet's individual needs whether it is for routine health care or to address an illness. Your pet's history is reviewed prior to your appointment so that we may better serve you and your 4 legged family members. Each pet receives a thorough physical exam the findings of which are explained to you at that time so any questions you may have can be addressed. Because we place a major em-

phasis on client education you will receive a lot of verbal information as well as handouts to help you thoroughly understand any problems or issues your pet may have. We take great pride in the staff we have and in order for them to meet our high standards, all of them, including receptionists, assistants, and licensed technicians must complete a certain number of continuing education classes each year on various topics ranging from parasites and behavior problems to anesthesia, nursing care and pain management. Because obesity has been linked to many diseases and a shortened life span they are trained in basic nutrition and can customize dietary plans for your pet and present you with ways to help you achieve their goals. We also offer nutritional counseling for various diseases such as kidney insufficiency and diabetes.

If your pet needs anesthesia we are fully equipped with oxygen in our treatment and dentistry areas as well as in surgery and radiology allowing for smooth transfers. We have a dedicated anesthesia technician and a surgical assistant for each case so that your pet is continuously monitored from start to finish. Blood pressure, oxygen saturation, ECG, temperature, heart rate and respiratory rate are monitored and recorded throughout so that any trends may be picked up early and addressed. Your pet is evaluated prior to the anesthetic procedure and a tailor made anesthetic protocol is devised based on your pet's individual needs.

We have a keen in-

terest in dentistry and are proud to have been one of the first hospitals in the area to offer dental radiography. Both Dr. Bradley and I have completed advanced courses in various areas of dentistry. Our computer system allows us to integrate dental radiographs, digital photos and laboratory results into each patient's file which can then be easily accessed in the exam rooms to show you in detail what issues were found and how they were addressed.

We have an in house laboratory so that most results can be obtained the same day. We work closely with area special-

ists in order to provide you with the optimal care for your pets.

Contrary to popular belief, Taneytown is not closed and being at the end of town near the rotary we can be easily accessed by using Trevanion Road and Antrim Boulevard to bypass the construction. People traveling from Westminster are not affected as they come into the shopping center before the construction begins. So stop by and say hello, ask for a tour of our hospital to see what we have behind the scenes, meet our great staff and bring your pets so we can meet our quota of hugs for the day.
