Issue #55**

MAYOR'S MESSAGE

"Live Love, Act Truth, Honor Life"
Carlo Carretto

Springtime greetings! Blessings to all, during this most joyful of seasons. We, of Judeo- Christian traditions celebrate our redemption at this time of year. The Jews, their redemption from slavery in Egypt, during the feast of Passover (Pesach, 3/25-4/2) and Christians, redemption from death that results in the promise of everlasting life! (1 Cor. 15:55) at Easter (3/31). Could there be a better time of year to celebrate this new life then springtime? I think not. Spend some time talking with your kids about the real meaning of our holidays. It is important that we pass on to our children real meaning of these holidays.

Not only are we thankful for this joyful season, but we should be thankful for all that has been going on in and around town, since I last wrote you all. A lot has happened indeed! I am happy to report the final project, connected with Street Scape, has been completed. That was the installation of new water lines and (some) sidewalks on York and Frederick Street. By the time you read these comments we should have the final overlay of our portion of MD RT 194 completed. The Mayor & City Council introduced the fiscal year 2014 budget

at the March Council Meeting (3/11). A public hearing will be held on Wednesday April 3rd, in Council Chambers to discuss final approval. YOU are invited to attend this meeting that begins at 7:30PM and offer your comments for consideration by the Council. I promised you in my State of the City report that I would do everything possible to hold the line on taxes. We were able to do that. No tax increase from the City this year! My thanks to the staff and Council members and their diligence in helping arrive at this year's budget. The budget is austere. There was not, and has not been, over the last several years, room for many 'frills'. We have been able to hold the line on excess spending and still provide for the services we have all come to depend on from the City. For the first time since the recession began (2008) we have been able to offer our employees a small salary increase. If you would like a copy of the budget, you may pick one up at City Hall or view it on our web site (www.taneytown.org).

In other big news, this year is election year in Taneytown. The City of Taneytown will hold it's City Election on Monday 5/6/2013 between 7AM and 7PM at the Taneytown Police Department, 120 E. Baltimore St, Taneytown. The election is for three full-term (4-year) Councilmember seats. If you have been

a Taneytown resident for at least two years and are over the age of twenty-five, you are eligible to run for election. Time is short though, the filing deadline is April 8th by 4 PM. If you are interested please pick up a candidate application form at City Hall during regular business hours. Our City Clerk/Treasurer Linda Quinn can answer all your questions.

As we look forward to warmer weather, we are reminded of all the activities available around town. Last spring/summer/fall proved to be a banner year for the City as far as the number of family events presented. I think we all can look back and pick a favorite. This year promises to be just as remarkable. Many of our biggest successes will be back, bigger and better than ever. On June 9th the Country Crusin' Car Show will be back in Memorial Park, followed by the (Best) Taneytown VFD Fireman's Carnival, June 10-15, and then the 2nd Annual Wine Art & Jazz Festival on June 22nd. There will be a lot more to come. To view the complete list of upcoming events visit our web site. Springtime also means "sports" and in Taneytown youth sports have always been a huge focus and success. There are enough varieties of

team sports available so that all our kids can put down the X Box or Wii, get up off the couch and shake off those winter cob webs. So whatever sport may be; if it is baseball or softball, lacrosse or soccer, football or just fishing in one of our ponds, get out and participate and enjoy our parks. Bob Mitchell, our Parks & Rec director can provide the details.

I hope all of you are looking forward to the coming season as much as I. Even though this winter "could have been a lot worse", I am always glad to see springtime arrive. If you have not done so, make it a point to visit our downtown historic district. The downtown has never looked better. Taneytown is listed on the National Register of Historic Places. Stop by City Hall and pick up a newly published "Walking Tour" brochure and visit some of our historic homes and buildings. Make sure too, you stop and read the historical markers that have been placed around town. We should be proud of our heritage. Our community was founded in 1754 and in those 259 years we have made a considerable contribution to our State and our nation's history. Come, explore your heritage! I will see you there!

CARROLL HOSPITAL CENTER TO RECOGNIZE NATIONAL HEALTHCARE DECISIONS DAY ON APRIL 16

Carroll Hospital Center along with other national, state and community organizations are leading a massive effort to highlight the importance of advance healthcare decision-making - an effort that has culminated in the formal designation of Tuesday, April 16 as National Healthcare Decisions Day (NHDD). As a participating organization, Carroll Hospital Center is providing information and tools for the public to talk about their wishes with family, friends and healthcare providers, and execute written advance directives (healthcare power of attorney and living will) in accordance with Maryland state laws.

From Tuesday, April 16 to Friday, April 19, Carroll Hospital Center is welcoming the public to visit the hospital's main lobby throughout the day for free information about advance care planning and advance directive forms. A table will be set up from 9 a.m. to 8 p.m. and staff will be available for one-on-one discussions and to provide information to the public. An opportunity to complete a directive, receive a free copy and have it placed on file at the hospital also will be provided.

Other resources to complete an advance directive are available at www.CarrollHospitalCenter.org or www.nationalhealthcaredecisionsday.org.

"As a result of National Healthcare Decisions Day, many more people in our community can be expected to have thoughtful conversations about their healthcare decisions and complete reliable advance directives to make their wishes known," said Angela Boggs, manager of Carroll Hospital Center's Spiritual Care Department. "Fewer families and healthcare providers will have to struggle with making difficult healthcare

decisions in the absence of guidance from the patient, and providers and facilities will be better equipped to address these issues before a crisis occurs."

For more information about National Healthcare Decision Day, please visit:
www.nationalhealthcaredecisionsday.org.

NoWorriesIT RECYCLING COMPUTERS

Now it's even more convenient for our Taneytown friends to participate in the NoWorriesIT Recycling Computers for Charity drive from now through March 31st. Lou Jordan has arranged for Carroll County Screen Printing in Taneytown to be a Drop-Off and Collection Site for any individual or business in the Taneytown area with non-working computer towers, laptops, or cables (no keyboards, monitors or printers, please), who would like to donate to this program.

NoWorriesIT, a Westminster-based networking and computer services company, will pick up the computer donations and sanitize the hard drives (remove all data) before transporting them to a recycling center for a cash rebate. NoWorriesIT then matches the cash rebate and donates the total amount to the 2013 spring charity, The Arc Carroll County. We'd like to thank Lou and his team at Carroll County Screen Printing for partnering with NoWorriesIT on this project. Please see either Joe or Kris at Carroll County Screen Printing at 1 Broad Street in Taneytown between 7:30 - 4:00 pm Monday through Friday with your computer donations before March 31st.

FRANCIS SCOTT KEY HIGH SCHOOL BASKETBALL

You win some, you lose some. The Francis Scott Key High School Varsity Basketball Program had a phenomenal record as they finished 16-8 this past season. With seven returning seniors, the group had an advantage when it came to experience. The veteran group was able to learn from their past mistakes, while giving advice to their six younger teammates, which allowed them to succeed

this year. The team practiced every week with occasional Saturday practices, and participated in a Holiday tournament over Winter Break. Ryan Kimble, head coach, is very proud of the work his team has accomplished, "All of the kids worked hard, and I give every single one of them credit." Kimble is excited for the new group of kids he has trying out next year, and thinks the team could advance further, exceeding everyone's expectations. The support from student fans, faculty, administration and the community is what

makes Francis Scott Key Athletics motivated to improve their standards. Two influential players, seniors Max Bell and Blake Straitman, have decided to further their passion for the game, and have committed to playing basketball at York College of Pennsylvania. "Overall, we had a fun season working together, and I'm proud of our guys", Kimble added. The team finished with a 16-8 record, losing in the semi regionals final 2A West.

RUNNYMEDE WALKS FOR CARROLL COUNTY FOOD SUNDAY

Everyone knows what it means to feel hungry. With that philosophy in mind, Susan Routson, PE teacher at Runnymede Elementary School, began "Runnymede Walks for Carroll County Food Sunday" 15 years ago. During that time, Runnymede students have walked and raised over \$114,000 to help that organization meet its annual operating expenses. This year, on Friday, April 26, 2013, the school hopes to raise \$7,000 for this worthy and much needed cause.

Carroll County Food Sunday, a non-profit which helps support Carroll County residents in meeting their emergency and supplemental food needs, regularly serves hundreds of families in Carroll County and has seen a dramatic increase in the number of those families in the last year. According to Dorothy Stottlemyer, CCFS Fundraising Chair, the organization averages about 8,000 pounds of weekly food distribution. In 2012, Carroll County Food Sunday serviced an average of 430 families a week, handled 20,507 requests for assistance and purchased 225,238 pounds of food for the food bank. That was in addition to

143,509 pounds of donated food and 38,918 pounds of food received from the federal government. In 2012, their milk budget exceeded \$50,000 and, because of decreased contributions and rising food costs, milk was only offered every other week. They have also had to discontinue distribution of peanut butter, beef stew, tuna and eggs - something they hope to turn around in 2013.

In addition to the walk, and new this year, the school sponsored a staff basketball game between Runnymede staff and staff members of Taneytown Elementary on March 15, 2013. This event featured not only the game, but performances by the combined Eisteddfod choruses and 5th grade pep bands of Taneytown and Runnymede Elementary Schools, the Runnymede Honors Chorus and Runnymede's staff dance team, "The RUE Crew". Over \$1300 was raised for CCFS and Runnymede would like to thank the Taneytown Elementary Community for

their generosity and support.

During the month of March, Runnymede's third, fourth and fifth grade students participated in a tee-shirt design contest. The winning design will be printed on tee-shirts that the whole school will wear the day of the walk. According to Michelle Cash, Art teacher, the tee-shirts are created to show the hard work and dedication of the students, faculty and staff for the annual fundraiser for Food Sunday. Business

sponsors are advertised on the back of the shirts. The school is still looking for business donations. All other money raised goes directly to Carroll County Food Sunday. Every donation is greatly appreciated. For more information or to donate, please contact Susan Routson at 410-751-3203.

TANEYTOWN BASEBALL

In the spirit of community collaboration and teamwork taught through youth sports, WANTZ CHEVROLET INC. is supporting Taneytown Baseball through the Chevy Youth Baseball Program. This sponsorship will include both monetary and equipment donations during the Spring 2013 youth baseball season.
