**MAYOR'S MESSAGE**

*To live under the American Constitution is the greatest political privilege that was ever accorded to the human race. - Calvin Coolidge*

WOW! Here it is August already. I hope you have enjoyed your summer so far. I know I have. We spent some time at the Outer Banks with (hurricane) Arthur. I have had a daughter Peggy get married, a granddaughter begin her fresh-

man year at Randolph-Macon, and a grandson start at Virginia Tech. We hope to return to the Outer Banks for a few days, sometime before summer is over. There still is a lot of summer left, though. So get out and enjoy. I truly did enjoy the Concert in the Park, on July 19, with the Nautical Wheelers. We had a good crowd and great music. If you missed it, make plans for next year. You won't regret it. Earlier that same Saturday, I had the privilege to recognizing three young winners of the first Taneytown History Essay contest (See separate article) spon-

sored by Taneytown Main Street, The TT Chamber of Commerce and the Downtown Business Group. There is still a lot going on in Taneytown. Family Fun Days return for three big days of fun on September 19-21st, in the Memorial Park. Fall Fest is coming up October 18th and don't forget the Farmer's Market each Saturday morning until Noon, in Memorial Park, for the best fresh produce for miles around! Mark your calendars.

In Council news, we have been busy preparing for the renovation of our waste water treatment plant (WWTP). The bids for the state required upgrades have been awarded and we await Maryland Department of the Environment's (MDE) approval. Council has also acted to continue with the employee medical insurance currently being offered, although they committed to search for ways to reduce this cost in the future. During our quarterly Council retreat we considered options for the old creamery building next to the police station. We continue to discuss implementation of the FEMA Floodplain program. We (the City) currently do not participate in this program and agreeing to participate is much more involved than I ever could have imagined.

September 17th is Constitution Day. While that seems a long way off, it will soon be upon us. I have always thought that this day is much neglected when we celebrate our American story and it really shouldn't be. This day marks the day when, what may be the most significant document produced by a free people, was adopted by the U.S. Constitutional Convention and signed in 1787 in Philadelphia. It is especially important this election year to be aware of the foresight and wisdom contained in our Constitution. To celebrate Consti-

**STREET SWEEPING**

The City has entered into an agreement with Reilly Sweeping Inc. Street Sweeping on posted no parking areas along York, Frederick, East and West Baltimore Streets will begin on August 18, 2014 and shall take place on the third Monday of each month; thereafter. Vehicles are prohibited from parking on the posted no parking streets between the hours of 5:00 A.M. and 10:00 A.M. Vehicles that are not moved will be towed at owner's expense. Residents may park their vehicles on the municipal parking lot on Record Lane or in the rear parking lot of the Police Station. Thank you for your cooperation.

**WATER/SEWER BILLS**

Water/sewer bills were issued July 1st with a due date of July 31st. Any bill not paid by 3:00 PM on the 31st will be assessed a 10% late penalty and will be due by August 18th by 3:00 PM. Water shut off will be scheduled after August 19th, 2014. If water service is interrupted for non-payment, there will be an additional fee of \$50 to reconnect water service.

**WATER AND SEWER RATES INCREASE**

Effective with the quarterly billing period beginning July 1, 2014, water and sewer rate will increase. The new rate will be reflected on the bill for the quarter ending September 30, 2014. Please keep in mind that if final reads are requested after July 1, 2014 the new rates will apply. The new water rate will be \$6.53 per 1,000 gallons and the sewer rate will be at \$12.81 per 1,000 gallons. The rate increase is based on the adopted resolution passed in 2011 to fund low interest rate loans secured to pay for needed public water and sewer improvement projects. Questions regarding the increase can be directed to the City Finance department at 410-751-1100.

## MAYOR'S MESSAGE

(Continued from page 1)

I promised to keep the column short so now may be a good time to present this issue's "History Quiz". Last time I asked: "Who was the Yankee general that used Taneytown as his headquarters during the War Between the States?" The answer was: Gen. George Meade. Meade and his troops were bivouacked here prior to the battle of Gettysburg. Congratulations to Andy Stonesifer, a graduating senior from FSK, for being the first student to respond to my email address with the correct answer. Andy won a Gift Card for the

new Sheetz.

OK, Now for this issue's question: On the way to Philadelphia, George Washington stopped at the \_\_\_\_\_ Tavern located on what is now \_\_\_\_\_ St. to rest and refresh.

If you are the first student to respond to my email address ([jlmcarron@taneytown.org](mailto:jlmcarron@taneytown.org)) with the correct answer you will win a gift card from a local business. GOOD LUCK!

Taneytown Knights of Columbus, Silver Oak Academy, Caring and Sharing, Farmers Market and those individual volunteers who generously donated their time and talents; without your assistance, this event would not happen.

We were honored to have our outstanding national jazz and blues artist, Eric Byrd and Mary Shaver - it was fun to watch people dance and truly enjoy a glass of wine and music.

We had six outstanding wineries this year beginning from Eastern Shore to Detour- wonderful wines and great business owners.

Our unique artists and artisans brought to life, the talents in art, jewelry, silk screening. Dulcimer crafting, wood burning art and many other various artistic venues.

For those of you who missed this year, we hope that you will join us for a bigger and better Wine Fest.

## TANEYTOWN FAMILY FUN DAYS SEPTEMBER 19 - 21

The Taneytown Lions Club has been working hard planning for a second annual "Taneytown Family Fun Days", scheduled for Friday evening, September 19, 2014, all day Saturday, Sept. 20, and Sunday afternoon, September 21. The event will be held in Taneytown's Memorial Park. There will be Carnival Rides and Amusements by Majestic Midways, (which received rave reviews last year), a number of Food Vendors, Entertainment, and activities planned for the entire family each day.

Friday evening, September 19, between 5:30 and 6:00 pm, colorful hot air balloons will lift off, weather permitting, taking those individuals who have made prior reservations, on 45 minute to one-hour flights over beautiful northwestern Carroll County. Folks are encouraged to come early to see the work and expertise that goes into a hot air balloon ascension. The balloon flights are being provided by the Friendship Hot Air Balloon Co., of West Friendship, MD. Advance reservations must be made well in advance by calling Lion Jim Fair at 410-751-1120 or Lion Dan Wilhide at 410-756-2747. Food, rides, and the Midway will open at 6:00 p.m. "Get On The Bus" will perform on the Midway Stage, followed by a magnificent fireworks display by Zambelli Fireworks Co.

Saturday, September 20, a huge Car Show will begin in the morning at the Memorial Drive end of Memorial Park with registration starting at 9:00 A.M.. Plaques will be awarded at approximately 2:30. A double-elimination 3 on 3 Basketball Tournament will add excitement to the day's activities. There will be arts and crafts displays, as well as flea market stalls in the park all day. Children will find plenty to do in the free kids play area and at the petting zoo which will include several beautiful Alpacas. Entertainment will continue at intervals throughout the day and continuing during the evening including music by "Bird Daddies", a square dance exhibition by the Frederick County Promenaders, and

a dance performance by the Carroll County Cloggers. Rides open at 1:00 p.m. At 5:30, weather permitting, there will again be a hot-air balloon ascension from the southwest corner of the park. The crew will be happy to explain just what is needed to get the balloons to stand-up and then take off with the lucky passengers who reserved their rides in advance. In fact, you might even be asked to help spread the beautiful balloons and hold the lines in that process. An exciting and memorable experience. Activities for Saturday will close following the awarding of \$4,000.00 in cash prizes to the lucky ticket-holders.

Festivities continue Sunday, beginning at 1:00 p.m. with food, rides, and midway along with the kids play area and petting zoo. Entertainment that afternoon will include a patriotic multimedia presentation by Westminster City Councilman Paul Whitson, honoring members of the armed forces and first responders, a dance performance by the Duffy School of Irish Dance, and live music by the "Brass Connection Band". A team from the Carroll County Sheriff's Office will be doing K-9 demonstrations at 2:00 and 4:00 P.M.

Taneytown Family Fun Days was a first-ever endeavor last year, conceived and planned by the Taneytown Lions Club in cooperation with the city of Taneytown for the benefit of the community. Churches and Non-profit organizations have been offered space free-of-charge for displays or their own fundraising activities. A number of businesses in the community have also joined in the effort by becoming sponsors and will be exhibiting along the Midway. The Taneytown Fire Co. has joined in as a partner this year. Everyone involved is looking forward to providing a fun-filled family event for attendees. The event will go on rain or shine. Parking and admission to Memorial Park are free.

Steeply discounted Advance-sale ride tickets are on sale prior to September 19. Sheets of 14 One-dollar ride tickets are available for just \$10 at the Taneytown office of PNC Bank, Wantz Chevrolet, NAPA Auto Parts, 117 E. Baltimore St., from any Taneytown Lions member, or by calling Lion Richard Koontz at 410-756-6943.

## OBESITY IN PETS

Hello again, it's Katie with Antrim Veterinary Hospital! Did you know an estimated 54% of dogs and cats in the United States are overweight or obese? That comes out to around 93 million pets! Approximately 64% of household pets in the United States are obese, is your pet included in these statistics? If so, it is a perfect time to start a new exercise routine with your pet! Check out some helpful and healthy tips below.

Try a different activity with your dog from hiking to kayaking or running to swimming. Not only is this a good way to promote exercise, it is also a great bonding experience between human and pet. Let's not forget our kitty friends; throwing kibbles down a long hallway and laser pointers are a great way to get our kitties off the windowsill and running around. While exercise is a very important factor in keeping our pets

healthy we must not forget about a well balanced diet. Bring your pet to your local veterinary office for routine weight checks, let the veterinary staff recommend and calculate a diet that best suits your pet's needs.

There's no time like the present to get up and start a healthy lifestyle, for us and our pets. Your veterinarian can help give you tips on keeping your pets healthy and making sure they stay with us for as long as possible. Let's keep the bond we have with our animals strong and push each other to a healthier state. So don't sit on the couch with Fido or stare out the window with Fluffy any longer, get up and get active! So stop by Antrim Veterinary Hospital today and find out more ways to get healthy today! You may also visit our website at [www.AntrimVeterinaryHospital.com](http://www.AntrimVeterinaryHospital.com) or Facebook page at [www.Facebook.com/antrim.vet](http://www.Facebook.com/antrim.vet).

## MARRIAGE AND RELATIONSHIP EDUCATION CENTER

Do you feel stressed out, too busy and just don't have any time for your relationships? Is your calendar so full that you can't find any time for some fun dates with your mate?

Marriage guru, Howard Markham, University of Denver, noticed that cities that had professional baseball teams had lower divorce rates than other cities. He suspects that baseball is providing the sort of shared fun that keeps couples together.

A new study from the University of Rochester finds that watching and discussing movies about relationships is as effective in lowering divorce rates as other more intensive early marriage counseling programs.

So, there's no question that spending quality time together can improve relationships. The real question is, do you want to settle for an average relationship or would you like to turn it up a notch?

Date nights are important for every couple, no matter what stage of their relationship they are in:

- Couples considering marriage need to take the time to talk about a variety of topics: family background, values, expectations and wishes, hopes and dreams.
- Married couples with young children need to be intentional about scheduling time with each other. They just need time away from the kids!
- Couples with teenagers need time to focus on each other and fan the flames of romance!
- Empty nesters need to reconnect and enjoy each other again.

The Marriage and Relationship Education Center (MREC), a non-profit located in Westminster, is sponsoring the Second

## NEW PROGRAM AT SILVER OAK

On July 1, Silver Oak Academy opened Kahlert Hall, a new living unit designed specifically to enhance independent living skills for students preparing to transition to self-sufficiency. The goals of the Kahlert Hall program include high school completion or GED attainment, with opportunities for post-secondary coursework; enhanced employment skills including resume writing and interviewing as well as off-site employment; and the development and demonstration of independent living skills such as financial literacy, meal preparation, time management; and the ability to access community resources and assumption of a healthy, pro-social lifestyle. Currently four students have chosen the challenge of training for self-sufficiency.

Pictured above at the Kahlert Hall ribbon cutting are Liz Grant, Betsy Baker and Nancy McCormick of the Silver Oak Academy Advisory Board, along with the initial students entering the transition program.

Pictured at left is Greg Kahlert of the Kahlert Foundation, attending a Silver Oak Academy graduation.

Kahlert Hall is the culmination of collaborative efforts by Silver Oak Acad-

emy management and the Silver Oak Advisory Board. The Kahlert Hall transition program was made possible by generous funding from the Kahlert Foundation. The staff, students and Advisory board sincerely thank Greg Kahlert and the Kahlert Foundation for their support, without which this opportunity for our students would not have been possible.

## SILVER OAK ACADEMY PARTNERS WITH US NAVY SEALS

Team Eagle One, the outreach branch of the US Navy SEALs, partnered with Silver Oak Academy to provide a unique opportunity for students to spend a day learning what it takes to be a US Navy SEAL. Students participated in physical and mental challenges with members of Team Eagle and learned about the principles embraced by the Navy SEALs, including brotherhood,

teamwork, determination and excellence, while considering if they have the drive and capacity to join this elite group.

Team Eagle One sponsors training, fitness events and swim programs with a goal of building awareness about the opportunities available through Navy Special Warfare.
