MAYOR'S MESSAGE

*Our lives begin to end the day we
become silent about things that matter.*
Martin Luther King, Jr.

Greeting all! Here we are deep into the month of January and I'm already thinking about the spring to come! We celebrate winter, though, in all its beauty. Weather-wise we haven't been treated but so badly (at least not yet). I have received many compliments as to the great job our City crews have done salting & plowing our streets, so far. This is tough work so Thanks Rick Weaver & your team!

I hope the season finds you well, safe and warm. I know that for some of our area residents this is not so. We have experienced, in Taneytown this year a group of homeless individuals, camped on our borders. I do not recall homelessness being so apparent in past years as is has been this year. Perhaps it is the location where the homeless have chosen to camp. Perhaps it is the continual recession, which never seems to let up. Whatever the reason, the homeless are among us. Be aware that this situation is of concern to many in our community and to you City Council. I have realized there are many reasons for homelessness and that one solution is not the answer to this condition. We, at City Hall have actively been seeking ways in

which we can help this situation and at the same time protect our citizens and the environment from the side effects homelessness can/could bring. To this effort we have called together the folks in county government and in our Taneytown community to meet and discuss ways to address this situation. Our first meeting was held on January 17th and resulted in developing awareness among all the groups as to the services and responsibilities each can provide. Among the members who met included our Chief of Police, representatives from Caring & Sharing ministries, representatives from the Knights of Columbus/St Joseph's Church, several concerned citizens, representatives from Circle of Caring, representatives from the "Blessing Wagon", the county social services director and members of the City staff, and Mayor & Council. (I hope I did not forget anyone, sorry if I did). After this meeting I felt as though the folks who find themselves in a homeless situation have access to adequate resources to cope with their unfortunate situation. Follow-up will continue. Thank you, all the many citizens who have helped and have brought this situation to our attention.

In other news, I have had the privilege to serve as a judge for the annual VFW Essay contest. Each year for the past several years I have met with others at the VFW post in Owings Mills to re-

view the entries from our area from high school and middle school students who have submitted essays. The high school students' theme was "Why I am Optimistic About Our Nation's Future". The middle school students addressed "What Patriotism Means to Me". The competition was tough, and the winners were Abigail Hilton of Mt Airy (high school) and Amena Beasley (middle school) of

PUBLIC WORKS DEPARTMENT

2014 HOLIDAY TRASH & RECYCLING COLLECTION

SCHEDULE:

- Week of Memorial Day: Collection will take place on Thursday, May 29, 2014, instead of Wednesday, May 28th.
- Week of Labor Day: Collection will take place on Thursday, September 4, 2014, instead of Wednesday, September 3rd.
- Week of Christmas and New Year's Day: Collection will take place on its normal scheduled day CHRISTMAS EVE & NEW YEARS EVE.

Please set your trash and recycling out the night before the above scheduled collections. Hughes Trash & Recycling will have additional equipment and personnel picking up much earlier than normal.

YARD WASTE

Beginning in March, the Public Works Department will pick up grass clippings on Tuesdays. You must call the City Office no later than 3 p.m. Monday to schedule for pick up the next day. Currently there are no charges to Carroll County residents for disposal of yard waste, at the County Landfill in Westminster (410) 386-4550:

- Please place your bags at the curb by 7:30 a.m., the morning of pick up.
- Yard waste must be placed in paper kraft bags only.
- Please limit the weight of bags so they can easily be lifted for loading and unloading without bag breakage.
- This service is limited to grass clippings, flower & shrubbery trimmings only. Please do not dispose of dirt, sod,

thistle, or household garbage.

SNOW REMOVAL

During a snow event, the priority for streets will be those that carry the heaviest traffic. State Highway crews are responsible for York, Frederick, East and West Baltimore Streets. City crews will initially plow the main arteries followed by side streets, courts and alleys. Please be advised that if you shovel snow from your driveway or parking area and your street has not been plowed, snow will be pushed back to the curb when plowing occurs. Depending on snowfall, it may be necessary to plow streets more than once. Do not push or blow snow back into the street. Please do not approach snow plow operators while they are removing snow from City streets. Contact the Public Works Director at the City Office with any concerns or complaints you may have. On days when there is trash pickup, citizens are encouraged to shovel out a place next to the street where the cans are placed or place the containers at the edge of the street. Please help us maintain accessibility for fire protection, by clearing snow from around fire hydrants that are in the vicinity of your residence.

Persons parking in the metered areas are reminded that they must move their vehicles to the public parking lots, promptly following a heavy snowfall. This is to allow the City to haul the snow from the metered areas. Vehicles not moved promptly after no-parking signs have been placed on parking meters may be towed at owner's expense. Citizens are asked to assist City crews by parking vehicles in their driveways and not on the street; this facilitates much more efficient snow removal and provides you

Frederick. More details may be found on our web site (www.taneytown.org). At the end of the day I was a bit more optimistic about our nation's future, just knowing we have young people like these two in our future.

Speaking of scholarships, did you know that the Carroll County Chapter of the Maryland Municipal League offers scholarships to college bound students each year? If you have a college high school senior in your home, why not encourage them to apply? The rules are simple (also see our web site for complete details or visit your high school's guidance counselor). Qualifications are easy! Our own Councilwoman Diane Foster is the chairwoman for the Scholarship Program for Carroll County.

Speaking of young people and essays, one of the things I enjoy doing most, as Mayor each year, is visiting the fourth grade classes at Taneytown Elementary. Each year I spend some time with the fourth graders talking to them about how their City Government works. I also invite them to participate in a state wide contest, sponsored by the Maryland Municipal League and write a short essay on "If I Were Mayor" (believe me I have picked up some good tips). The essays will be sent to Annapolis for judging and the winners will be invited to a day in Annapolis to experience firsthand our state government at work. There will be

local winners too. Mom and Dad encourage your fourth graders to participate. It will be an experience they will not soon forget.

Speaking of contests, I thought I'd start a little contest of my own. We live in such a history rich town/area I thought I would do something to encourage exploration of our town's history. Each issue of the Taneytown Record will have a new Taneytown History Quiz question. The contest is open to all school age children, Mom & Dad can help. The winner will receive a gift card good at a Taneytown business. To enter simply email me with the correct answer (jlmcarron@taneytown.org). The first correct answer I receive, based on e mail, time & date, will win the prize, the decision of the judges will be final, only one winner per household. Make sure to include your students name address and phone number.

So, This Issues Question:

Who were the first known residents of the Taneytown area?

with a wider plowed street. Citizens in cul-de-sacs must park vehicles in their driveway to avoid having snow pushed and piled up around vehicle. Also, vehicles in cul-de-sacs should never park vertically to the curb. Citizens are reminded that snow removal from sidewalks is the responsibility of the property owner. Snow must be removed from sidewalks within ten (10) hours of a snowfall. Fines will be assessed for non-compliance, in addition to the cost and expense to the City of the removal of snow. We seek your cooperation, and we will do our best to provide a quality service.

PET DENTAL CARE

“Hello again, it's Katie with Antrim Veterinary Hospital! Did you know by 3 years of age most dogs and cats have already developed dental disease?! Dental care for our pets is very important. Daily brushing helps to reduce bacteria and the formation of plaque. When bacteria builds up on the teeth, plaque is formed and as the plaque accumulates, it calcifies to tartar. If left untreated, the bacteria will start to enter the blood stream which can then lead to serious illnesses such as kidney, liver and heart disease. Dental care should be started with puppies and kittens, although the juvenile teeth will eventually fall out, the purpose is to get them used to the process of brushing early.

There are many different alternatives for dental care if brushing is not a viable option. There are dental diets that use interwoven fibers that hold together while the pet bites into the kibble causing the plaque to be scraped off the teeth before the kibble breaks in half. Water additives and oral rinses that contain anti-plaque and anti-calculus properties can be used to help fight dental and gum disease. While brushing pets' teeth daily is the best option it does not always fit into our schedule so at least try to brush 4 times a week to make a difference. Most important, always start home dental care with a clean mouth! If tartar has already accumulated on the teeth you will not be able to get it off at home, your pet will need a

professional cleaning to remove the tartar and give you a clean slate to start home dental care.

February is dental month and the perfect time to lift Fido's lip and

check out those pearly whites, or browns and start providing the best dental care possible! Contact your veterinarian and schedule a time to get your pets teeth checked and see if they could benefit

from a dental cleaning. Keep those teeth sparkling!”

FRANCIS SCOTT KEY HIGH SCHOOL

FSK seniors Justin Mayle, Dan Honeycutt, and Mckenzie Witmer were given the opportunity to travel through Europe for three weeks this summer with American Music Abroad for a European cultural performance tour. Justin and Dan play the trumpet and Mckenzie plays the clarinet. Students are selected on the basis of recommendations from their school directors. They will tour through Italy, Austria, Germany, France and Switzerland performing at some of Europe's finest halls and cathedrals, as well as experiencing the culture and history of each country. These students are very excited and realize this is a once in a lifetime opportunity, but the cost is a major hurdle to overcome.

The estimated cost per student is \$5189, so the students are looking for sponsors to help them finance their trip. They have created an account on indiegogo.com - Here is the link to their campaign: <http://www.indiegogo.com/projects/music-abroad-for-3-high-school-students>.

American Music Abroad has been touring for 35 years. For more information on their program - <http://www.americanmusicabroad.com/>

On Friday, February 22, the FSK Student Government Association will be hosting a charity volleyball tournament in order to help support St. Jude Children's Research Hospital. The cost is \$75 per team.

String students of the Northwest Region schools will be participating in the 13th annual String Extravaganza in the auditorium at Francis Scott Key High School on Thursday, February 13, 2014. This Suzuki-style program begins with

members of the Carroll County String Project, a community school of the arts dedicated to providing the highest quality of music instruction, and continues as high school, middle and elementary school students are added and perform music at their performance levels. The concert begins at 7:00pm and is free and open to the public. Contact: Bill Duffy, wjduffy@carrollk12.org

SILVER OAK ACADEMY

When I first was notified that I would be taking some of our guys to the Freedom Walk Civil Rights tour, I thought it would be a great experience for our youth to go on and experience because of the history, people, and places we would have the opportunity to embark on. Little did I know that it would've been one of the greatest experiences I've ever had in my life as well. The opportunity to meet Dr. Bernard Lafayette, Bishop Woods, Amelia Boynton, and many others gave me a deeper insight into the mindset of individuals that were there in the midst of the civil rights movement. This profoundly affected me because I could still see the love, compassion, and commitment of these individuals despite the struggles and trials of the past. Ultimately, what affected me more than anything was the insight that I gained about the concept of what non-violence really entailed. I thought non-violence was just a physical thing but I learned that it embodied the whole mind, body, and spirit. This affected me in a great way and made me want to aspire to get to that point in my own life. I think that this concept would affect the culture of our youth profoundly if we could teach it to them through our actions and words.

**Parks and Recreation Youth Forum
On Wednesday, February 12, 2014 at 6 p.m.
City Hall**

Calling all 8 to 18 year olds! Want to make a difference in living in Taneytown? Voice your ideas and opinions to your neighbors on the Parks & Recreation Advisory Board, City Parks and Recreation Director and Councilwoman Foster about what you want and need in Taneytown recreation activities, happenings and parks.

The Board members are inviting you to attend the Parks and Recreation Youth Forum on Wednesday, February 12, 2014 in the City Council Meeting Room on the second floor of City Hall at 6 p.m. As a matter of fact, the first 3 young people to sign-up and show-up will receive a prize. The meeting will run until 7:30 p.m. or end earlier if there's no more to discuss. Your parent(s) or guardian(s) are invited to attend along with you.

Here's why you do not want to miss this meeting:

- You'll get the latest buzz about upcoming recreation activities and parks projects
- You'll have the opportunity to discuss and advise the City on your ideas and concerns about such things as Memorial Park, construction of the new Bollinger Nature Park, sports activities of the Taneytown Athletic Association, and concerts and other special events in the parks and around town.

Check this out --- if you're in Scouts, attending this city meeting probably counts towards your rank requirements---ask your Leader.

Why do we want to hear from you at this time? Director Bob Mitchell, Councilwoman Foster and your neighbors on the Board want to hear your thoughts and ideas to help us make Taneytown a truly *amazing* place for parks and recreation sports, play and events!

How do you get in on this? Sign-up as soon as you can to have a chance at that prize! Give us your name and address and let us know if you want to make some comments so we can allot you some specific time. Email Bob Mitchell at rsmitchell@taneytown.org, stop by City Hall and sign up, or call Bob Mitchell at 410-751-1100.

Please note--- If it's a snow day, we'll hold the Youth Forum the following Wednesday, February 19.
