MAYORS MESSAGE

When the people fear the government, there is tyranny. When the government fears the people, there is liberty.

Thomas Jefferson

Well, I hope you have had a wonderful and blessed Easter or Passover holiday. I know I did! Spring arrived early this year but it wasn't too early for me. I do wish we'd get a bit more rain though. Enough about the weather. We have been busy at City Hall since I last wrote you. Council has approved the fiscal year 2013 budget (eff: 7/1/12) and it was with much soul searching and deliberation that we arrived at a "bare bones" budget for yet another year. The recession that has been with us since 2008 is severely restraining necessary growth and maintenance projects. This has really had a huge impact on our property tax income this year because of the devaluation of the real estate assessments throughout the City. Real estate assessments are re-calculated every three years. Again, because of these economic hard times property values have decreased from 2008 levels. The only tax we, as a City, or any MD municipalities, are allowed to levy (control) are property taxes. Most of the revenue we receive in our budget is from property taxes. So, you can see when the economy is suffering and property values decreasing, a short-fall results. When the economy is good, people have jobs and are getting raises and promotions, the housing market is strong. There is demand for new homes, goods and services, builders, developers and shop keepers begin to build and develop and sell. The result is new homes, new businesses new taxes. All that being said, that is not our case right now. A lot of hard work went into preparing this year's budget. I set a goal for staff to come

up with a budget that would not cause people to have to pay more taxes than last year. We, the Mayor & City Council, were concerned with adding additional financial hardship on our already strapped citizens. By watching expenses, by cutting wanted projects, by budgeting only those projects that are absolutely needed we were able to arrive at a budget that will result in the majority of the citizens paying no more tax this year as compared to last year. Some have slight decreases some have slight increases. The final discussion and budget hearing and passage is scheduled for our May meetings, a workshop on May 9th, and a Council Meeting on May 14th. As always you are welcome and encouraged to attend these sessions.

Speaking of budgets, the City is not the only one having budget woes. I am sure everyone is aware that the Maryland Legislature has failed to agree on a state budget by the close of their legislative session on April 9. This results in what is called a "dooms day" budget being enacted. Maryland, like most other states, is required to pass a balanced budget. In order to balance the budget without mutual agreement between the House of Delegates and the Senate, on versions of the budget, automatic cuts have to be made. The news media has covered this, but most of what they have been talking about are the cuts in the education budget that will occur as a result. The biggest impact to Taneytown is the funding of police officers. Police aid, already severely cut by previous legislatures, stands to be hit again. If this occurs I do not know what impact it will have on our police force. The Governor has the

power to call a special session of the legislature to discuss only the budget. Whether or not he will do this remains uncertain at this writing.

There is some good news from the legislature this year, though. The City proposed legislation. (Continued on page 3)

WATER/SEWER BILLS

Water/Sewer bills that have not been paid by April 30th will be assessed a 10% late penalty and will be due May 14th by 4:00 p.m. If water service is interrupted for non-payment, there will be an additional fee of \$50 to reconnect water service. Water shut off will begin on May 15th.

All applications for dealers will be on a first-come basis with your fee. If we have already booked that product dealer, future application monies will be returned to applicants. **There are NO refunds other than the above.**

You'll need to bring your own table & overhang; if you have neither, please request a pavilion. **Fee is \$35 for 6 ft. table-sized area and \$50 for larger vendor spaces, such as trailers & double spaces.** We will assign spots as you arrive on site and will have volunteers to assist you in unloading and setting up. There will also be an array of food vendors, along with music and activities to please everyone.

- Please place your bags at the curb by 7:30 a.m., the morning of pick up.
- Yard waste must be placed in paper kraft bags only.
- Please limit the weight of bags so they can easily be lifted for loading and unloading without bag breakage.
- This service is limited to grass clippings, flower & shrubbery trimmings only. Please do not dispose of dirt, sod, thistle, or household garbage.

BULK TRASH - SATURDAY, MAY 5, 2012

From 7 a.m. to 1 p.m., the City will provide compaction trucks and dumpsters at Taneytown Memorial Park for the removal of bulk trash. Citizens are asked to observe the following procedures:

- Citizens will be responsible for bringing their trash to the park for disposal.
- All persons who are dumping material will be required to show proper ID to the attendants, before they can drop off their items. Only citizens of Taneytown will be allowed to dispose of trash. All others will be turned away.
- Please do not leave trash in the park after hours specified above. The trash disposal service will only operate during these hours.
- Vehicles transporting bulk trash for disposal must be limited to passenger vehicles and pickup trucks. Larger trucks should haul their items directly to the Carroll County Landfill.
- All items containing oil and/or gas must be drained.
- The attendant will direct you to dedicated dumpsters for metal items and appliances

only.

- There will be one compaction truck designated for all other acceptable recyclable items, which includes little tyke play equipment, plastic trash cans, etc.
- Yard waste will be limited to grass clippings, flower & shrubbery trimmings only, and must be placed in paper kraft bags.
- To keep the flow of traffic moving, all recycling items should be separated before entering the drop-off area.
- Dirt, sod, tires, propane tanks, paint, or chemicals of any type, will not be accepted.
- Batteries will also be accepted.
- This will be the only bulk trash event for 2012, so please have your unwanted items ready for disposal this spring.

tion in response to a research facility, Egg/Chicken Farm, being located near the City's borders in the county, without out the City being informed. The City asked Senator Brinkley to sponsor legislation that would require well drillers to disclose to a municipality, when they drill a well within one mile of municipal borders. The reason for this is that the water table (aquifer) could be impacted by water being extracted from the same source the municipality relies on for its public water system. The ability to know if well drilling activity is going on will allow the municipality to investigate and decide if the activity will have any detrimental impact on municipal water supplies. This legislation was supported by the Maryland Municipal League and passed both houses in the final days of the legislative session. The bill awaits Gov O'Malley's signature. I want to personally thank Sen. Brinkley for his help and cooperation and the members of both the Senate and House review committees.

Now to things more Fun. It is springtime, and with springtime comes outdoor activities and festivals. Activities of all sorts are happening all over town. Opening day for the youth baseball leagues was April 14th. All our City's youth sports activities are at record levels of participation. Thanks to all the volunteers that make this happen! I had the opportunity to watch my grand daughter, Sydney, age 8, in a lacrosse game this spring. She was playing for the Frederick team, which created a dilemma; should I cheer for Frederick or Taneytown. No worry, I was informed that at this level they don't keep score, so I cheered for

both (what a politician!). Anyway, back to the festivals. Your City's Main Street committee and in particular the "Events" sub committee has been busy with an entire season of activities, see separate articles. It was indeed fortuitous, that as I was writing this column, a committee member, Lisa Hersh, stopped by the office to remind me of all the "goings on" for this coming year. Make sure you see the list published in this paper. Coming up soon, perhaps by the time you receive this paper, we will be celebrating the end of Street Scape on April 28th with a parade, vendors and music in our downtown area. The festivities begin at 9am and last until 3pm, and a movie at the park at dusk. A fishing derby on May 19th, our annual Swing Into Spring, in Memorial Park, also on May 19, movie nights in the Park in June, July and August, but you can read the list. One I am particularly anxious to attend is the first annual Wine and Art Show. This event will be held on June 16th and feature artists and artisans from our surrounding area. The economy may be tough, but that doesn't mean we can't have some fun!

In closing, I just want to remind all to continue to recycle. Our new solid waste contract will be awarded in July and we have included in the contract larger more user friendly recycling containers. Stay tuned for more details. I want to wish all the mothers, Happy Mothers Day and all the Father's, Happy Fathers Day and all the Vets, a big thank you for keeping us free. Please remember your veteran on Memorial Day and be sure to fly Old Glory on Flag Day, June 14th. I will see you in the Park(s)!

Mayor Jim McCarron of Taneytown performed at the Kiwanis Club of Greater Westminster Rock Ball on March 24th. He was Brian Wilson of the Beach Boys along with Steve Acquino, John Yingling, Tom Long, and Commissioner Haven Shoemaker.

NEW EXHIBIT “ON THE WAY TO GETTYSBURG...” AT THE TANEYTOWN HISTORY MUSEUM

The Taneytown History Museum invites the public to visit its newest exhibit, “On the Way to Gettysburg”.

During June 29 and July 7, 1863 approximately 40,000 troops passed through Taneytown on their way to, and later from Gettysburg, Pennsylvania. With the approaching 150th Anniversary of the Battle of Gettysburg, the Taneytown History Museum’s newest exhibit is highlighting sights and scenes the soldiers may have observed as they passed through this small town. The Museum is opening this new exhibit on Saturday, April 28th.

Among the featured displays are Gen. George Meade’s arrival in Taneytown on June 29, 1863 and the establishment of his headquarters which was located at the Lutheran parsonage on Emmitsburg Road and the field headquarters on the Benjamin Shunk farm on Littlestown Road. Gen. Daniel Sickles June 30th review of his Third Corps troops as they passed through Taneytown and camped on farms on the Littlestown Road; the citizens of Taneytown who greeted the soldiers with cheers of encouragement, flowers, flags, warm bread, and drinks.

Also included is a display of Civil War artifacts, most of which were found in this area of the troops’ camp sites.

There will be special Civil War-themed events held at the Museum throughout the summer. Watch for further details in the upcoming months.

There are other Museum exhibits still on display: Got Milk? featuring the William Marshall Mehring milking machine that he received a patent for in 1892. The Carroll County resident received a patent on the milking machine that was marketed and sold across the country. The Mehring machine allowed a farmer to milk two cows at once. SPECIAL DEDICATION FOR 2012 RELAY FOR LIFE

As many of you know, our neighbor, Diane Summers has once again received a cancer diagnosis and is currently going through chemotherapy. For those of you who are new to the community or do not know Diane, she was the sole person responsible for introducing Relay For Life to Taneytown in 2006 and, as such, is our Founding Member.

This year's Taneytown Relay For Life, which will be held on June 2nd here at Carroll Vista, is being dedicated to Diane for her unparalleled contribution to the Taneytown/Carroll Vista Relay For Life and in support of her current fight against her fourth diagnosis.

Diane has received much support from our community through cards, prayers, visits, trips to the hospital and food items. Many more of us WANT to do something for her, but aren't quite sure what to do. Here's are some ideas: Diane has held many Relay fundraisers over the years including silent auctions, an art auction, and most notably, her yearly signature event, a Cash Bingo Night, a tradition she had hoped could continue. To that end, Pat Brown has stepped in to make this happen. A Cash Bingo will be held on May 17, 2012 in the Ballroom. Seating is limited so sign up soon at the Clubhouse.

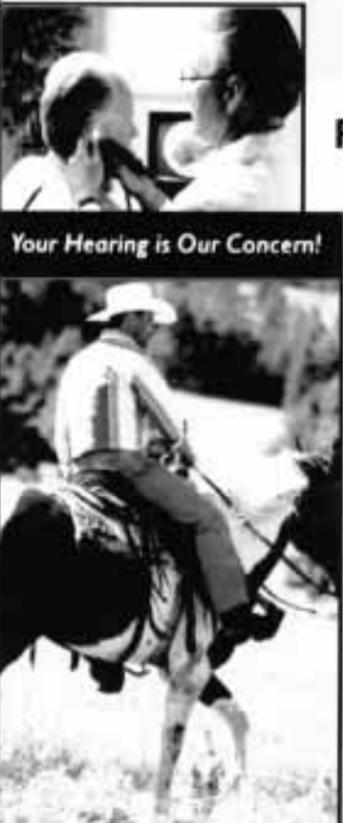

If Bingo is not your thing, we are in the process of receiving donations of products and/or services from various organizations and businesses for our Silent Auction, held this year at the Westminster Relay on May 18th. All proceeds earned from our items will count for the Taneytown Relay. As so many of you are very talented artisans in your own right, we welcome anyone to donate a craft item or, if your talent is shopping, any new item valued at \$25 or more. If you have an item to donate, please contact Pat Tuminello for drop off before May 10th.

Other ways to participate are by purchasing 50/50 Cash Raffle tickets (1 for \$1, 6 for \$5 or 15 for \$10) with the winner announced at the event. This year's theme of Relay For Life is The Colors of Cancer, with each cancer represented by a specific color ribbon. Support Ribbons for most cancers are available for purchase at 1 for \$1 each, or 3 for \$2. At the Relay event we will be raffling off a gift basket and selling MileOne Automotive raffle tickets for \$5 for a chance to win a 2013 Mazda CSX Crossover or \$15,000 in cash. Contact Pat Tuminello for raffle tickets. Fran Krajewski is once again selling balloon luminaries for \$5 each to remember or support your loved ones who are in their fight or have lost their battle against cancer. And finally, a Bake Sale will be held by Rosemary Guntner on the day of the event. If you are a baker and would like to contribute an item, please sign up at the clubhouse or contact Rosemary.

We need TEAMS!! While most of the background work is well underway, what we need now is participants! If you are part of a group or club here at Carroll Vista, get a few people together and form a team to walk with your neighbors and friends. Diane's team, The Crazy Hats would love to have you walk for them in Diane's honor.

THE LIQUOR BARN CELEBRATES 25 YEARS

We are celebrating 25 years! Although the store was originally opened by Mr. Joe Capparola years earlier, Jim and Judy Coyle and Jim's brother Bruce, purchased, remodeled, and reopened The Liquor Barn located in the Taneytown Shopping Center on April 3, 1987. The first several years were full of long days, with Judy working the day shift and Jim and Bruce taking turns working at night after running their other small businesses during the day.

The business grew stronger every day and when they neared their original business plan's time to sell after 5 years, Jim did not want to part with the package good store yet, and bought the other half of the business from Bruce. With the business growing every day, as well as Taneytown itself, Jim decided to jump on the opportunity to expand the store when he had the chance. So in 2001, the store went through a major remodeling and expanded into the adjoining store front, doubling the original square footage. With a few tweaks here and there, including an extensive expansion of the wine selection last year, The Liquor Barn continues to be a family owned and operated, full-service package goods store. Our staff can be counted on to provide great customer service and usually a good laugh whenever you visit. We want to thank the people of Taneytown for their many years of support and patronage, we truly appreciate each and every customer. "Let us keep you in good spirits!"

*The City of Taneytown would like to Thank the
Liquor Barn for their continuing to be a strong part of the
local Business Community!*

The Truth About Back Pain

Don't Even Think Of Taking Another Pain Pill Until You Read This

Do You Have Any of the Following Conditions?

- Lower Back or Neck Pain
- Headaches
- Muscle spasms
- Bulging or Herniated discs
- Numbness, tingling or soreness in your arms or legs
- Sciatica
- Sports Injuries
- Injuries from work or car accidents

Having these types of pain can bring life to a standstill.

You might not be able to play golf, work, sit in the car for a 30-minute drive or play with your kids or grandkids. People around try to understand how you feel. It can get so bad that you can't get a restful night's sleep or you can't get out of bed in the morning with out being stiff.

Is back pain keeping you from enjoying what you love to do?

Life is too short to let pain slow you down.

Pain is your body's warning sign telling you something is wrong. Sure, you can mask it if you take enough medicine. But if the actual problem gets bad enough, the medicine may lose its effectiveness. And if you mask the pain, it can prevent your body from healing - even damaging it further. Not to mention some medications have devastating side effects.

Could This Be The Solution To Your Back Pain?

Our Doctors are Jeff Wallace, D.C. and Beth Henson, D.C. For over 20 years, we

at Carroll Chiropractic and Sports Injury Center have seen lots of people, just like you, benefit from our treatments. Because we have seen it time and time again with our own eyes, we strongly believe...

Pain is NOT "just a part of life" and something you have to live with.

Chiropractic has been around for over a hundred years, and has been used to help everyone from tiny babies to the elderly.

Even top sports stars and entertainers... like Tiger Woods, Emmitt Smith, Tony Robbins, Joe Montana, Lance Armstrong, Gov. Arnold Schwarzenegger and Dr. Phil use chiropractic for their health and wellness.

Here's what some of our patients had to say:

Everyone is pleasant, smiling faces when you walk in the door up to the time you leave. Caring people...Great Doctor...Love coming there. *(Margaret R.)*

I have been coming to Carroll Chiropractic for over 10 years to help me with my aches and pains over the years. Dr. Wallace is very caring, *(Betsy Y.)*

Here's what some of the top medical researchers had to say about chiropractic...

"Manipulation [chiropractic adjustments], with or without exercise, improved symptoms more than medical care did after both 3 and 12 months."- *British Medical Journal*

"Chiropractor's manipulation of the spine was more helpful than any of the following: traction, massage, biofeedback, acupuncture, injection of steroids into the spine and back corsets, and ultrasound." -- *Stanley Bigos, MD, Professor of Orthopedic Surgery*

Have A Professional Evaluation of Your Back For Only \$27

Until May 31st 2012, we are running a very special offer where you can find out how much this amazing treatment can help your back pain. What does this offer include? Everything we normally do in our new patient evaluation for only \$27.

Here's what you'll get... An in-depth

consultation about your health and where you can tell us what is wrong and how it started. A complete chiropractic examination and full set of x-rays (only if necessary) to find the cause of your problem. A thorough analysis of your

Find peace and comfort in knowing your back is healed without drugs or surgery.

history, exam and x-ray findings so we can start mapping out your plan to being pain free and enjoying a great quality of life.

You'll get to see everything first hand and find out if this amazing treatment will be your back pain solution, like it has been for so many other patients.

The normal price for this type of evaluation including x-rays is at least \$250, so you're saving a considerable amount by taking us up on this offer. (Unfortunately we cannot offer this to folks on Medicare due to Medicare regulations).

Chiropractic care very well could be the answer you've been looking for.

Our office is called **Carroll Chiropractic and Sports Injury Center**. We are located at 330 One Forty Village Rd. in Westminster (Next to Parks Landing restaurant).

Call 410-876-8881 today and we can get started with your consultation, exam and x-rays as soon as possible. **Remember, this offer expires May 31st.**

We look forward to helping you to start living a healthier, more joyful quality of life.

Sincerely,

Dr.'s Jeff Wallace and Beth Henson

P.S. When accompanied by the first, we are also offering the second family member this same examination for only \$10.

FRANCIS SCOTT KEY HIGH SCHOOL ADVISORY COUNCIL

The Francis Scott Key High School Advisory Council has been formed to support the success of FSK students by building relationships with the surrounding community, promoting the success of all FSK students, and optimizing the available community resources and opportunities. By building these bonds, the Council hopes to create not only an environment in which students flourish but also a sense of community in which all of northwestern Carroll County will benefit.

The council is comprised of FSK administrators, teachers, parents, and students, as well as business and community leaders. Meetings are held monthly and are open to the public.

We encourage all to join our cause in helping our students. Monetary contributions are currently being accepted for various educational enhancements including Advanced Placement Test Fees. Each year, 55% of AP students at FSK do not take the Advanced Placement Exam. Success on this test can qualify them for better college admission and scholarship opportunities and/or give them college credit for their achievement. One critical barrier is the inability to afford the exam fee. Please consider donating funds toward any part of this \$86 fee to help a qualified student earn his/her well-deserved reward. Please call Sue Hook, at Francis Scott Key High School, 410-751-3320, or email her at smhook@carrollk12.org if interested in donating toward this or any FSK Advisory Council cause. Please see our page on the Community Foundation of Carroll County website.

FSK FOOTBALL PROGRAM COMMUNITY PARTNERSHIP

The FSK Football program is looking to link with local business leaders to create a community partnership for player development. We are looking for members of the business community to adopt a FSK Football player. Players will learn more about how to run a specific organization while gaining a mentor that will help shape them off the field. The Adopt An Eagle Program helps: DEVELOP CONNECTION BETWEEN COMMU-

ANNUAL MOCK INTERVIEWS AT FSK HIGH SCHOOL

The annual mock interviews at Francis Scott Key High School were held on Thursday, April 19th from 8-11am in the auxiliary gym. These interviews are a graduation requirement that all students must participate in during their junior year, as the Maryland State Career Development Framework requires that every student demonstrate the skills necessary to interview for employment. Students that currently attend the Carroll County Career and Tech Center will participate in their interviews there at a later date.

Through extensive advisory lessons on resumes, job application, and interviewing techniques, this year's 187 juniors have been preparing for their upcoming interviews since January. Resume workshops were also available during Key Time on specified dates for students to gain extra help.

The mock interviews at FSK have proved to be very successful, and with the increased competition for jobs due to the current economic situation, it is more important than ever to prepare high school students for college, the work world, and beyond. Several past students have been offered summer jobs or internships from the interviewers, as the employers were so impressed by what they saw. Each employer is given an evaluation sheet to fill out at the end of the day, and one such employer wrote "All students were well prepared, professional, and willing to listen. Excellent preparation." Often the same interviewers return in following years, eager to support the initiative seen in Key students. Francis Scott Key is sure this year's interviews will be just as great as the past, if not better.

Please contact Jennifer Adcock, FSK Career Coordinator, with any questions at jladcoc@carrollk12.org or call the school at (410)-751-3320.
