

WATER AND SEWER COMMITTEE MEETING  
AGENDA  
AUGUST 25, 2015

Call to Order

Report from the Chair:

Dee Wilson met with Rick Weaver on Monday

All batteries are on schedule to be replaced by month's end (green stickers were placed at homes in question)

Bids are out for new billing system

Bobbie-Jo is in the middle of the audit (can't accommodate questions until later in September)

Can't ask people why don't pay—it's an invasion of privacy (if people can't pay they should come to us to make payment arrangements)

Bills can be paid by credit/debit card—charge for this service

Amnesty for fees, late payments, etc., will cause a budget shortfall

Committee Member Reports:

Gail Wilson—Rain Barrel Initiative, grants, etc.

Barbara Cook—Water Meter Replacement, etc.

Don Frazier/Joe Vigilotti—Strategic Outline for Reduction of Water Rates

Joe Vigilotti—Flyer, Interim Report to Council (edited)

Jackie Jones—Help to those who can't pay, etc.
